

TO ALL OUR VALUED CUSTOMERS AND PORT USERS

RE: IT Infrastructure Upgrade

We would like to inform you that PTP will be performing an IT infrastructure upgrade and these upgrade will improve overall performance and reliability of PTP IT infrastructure. This scheduled upgrade shall take approximately 4 hours. We will send an update once the exercise has concluded. PTP Terminal Operating System (TOS), ERP, GCAM, KSG Marine and PTP emails system will be affected during this upgrade. All your records will remain intact and no change will be necessary on your username and login credentials

Infrastructure Upgrade Details:

Date: 30th July 2016 (Saturday)

Time: 0630 to 1030 hrs (approximately 4 hours)

In the event for any operational assistance, we can be reached as per below contact details:
