PTP AMENITIES

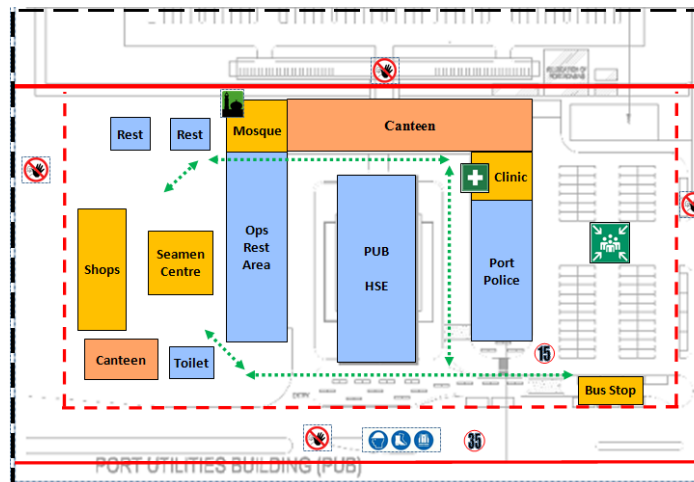

Reminder

Please take note that vessel crew are visitors to PTP and must abide by all the Safety, Security and regulations of the Port. Failure to comply will result in the personnel being escorted back to the vessel, or handed over to Port Police Department for further investigation.

PTP Bus Service

PTP bus service is provided at the front of each yard block on the shore side of the terminal wharf. These buses pick up terminal staff / passengers and stop at the Port Utility Building (PUB). PUB is the amenities are for the terminal staff as well as vessel crew.

PPE Free Area

The map above shows the PPE free area. Please remain within the red dashed area while coming ashore in PTP. This assigned area is PPE free. You may remove your PPE for your own comfort. For your own safety, wear the PPE before you disembark from the bus to the wharf area.

Remember Safety First!!!
