Effective from **1 October 2023**, the ICPT surcharge for reefer containers will be as follows:

Reefer Containers	Surcharge per shift or part thereof
20FT	RM 7.00

This surcharge has been determined based on the announcement by the Energy Commission through Tenaga Nasional Berhad (TNB) to revise the ICPT Adjustment Factor from RM0.20/kWh to RM0.17/kWh, effective from 1 July 2023.

Please take note that PTP's charge model will revise in accordance with the varying fluctuations of the ICPT.
